

**Question/Issue:**

Output pin configuration for the DAC-8 multi-pin cable.

**Answer:**

The DAC-8 uses a 25-pin d-sub connector to output 8 channels. The pin-out is identical to the Tascam DA-88 analog outputs. Below is a pin-out.

Channel	+	-	Ground
1	24	12	25
2	10	23	11
3	21	9	22
4	7	20	8
5	18	6	19
6	4	17	5
7	15	3	16
8	1	14	2
